# About Freskilo

## Our Mission

Freskilo is committed to providing our customers with the highest quality fresh meats and frozen foods, delivered with convenience and reliability. We strive to make healthy eating accessible to everyone by offering a wide selection of products, competitive prices, and a smooth delivery experience.

## Our Values

At Freskilo, we believe in transparency, quality, and customer satisfaction. We source our products from reputable suppliers, adhere to strict hygiene standards, and prioritize building strong relationships with our customers. We are dedicated to delivering a positive and memorable experience with every order.

# Our Sourcing Process: Ensuring Quality and Freshness

1

## Partner Selection

We carefully select our suppliers based on their commitment to quality, ethical practices, and sustainable farming methods. We partner with farms and producers who share our dedication to delivering the freshest and most flavorful products.

2

## Quality Control

Our team of experts meticulously inspects every delivery to ensure it meets our stringent quality standards. We prioritize freshness, taste, and safety, ensuring only the best products reach our customers.

3

## Traceability

We maintain complete traceability for all our products, allowing us to provide our customers with detailed information about the origin and journey of their food. This transparency fosters trust and ensures the highest level of accountability.

# Our Delivery Model: Seamless and Reliable

## 1 On-Time Delivery

We understand the importance of timely deliveries. Our delivery team is committed to ensuring your order arrives at your doorstep within the designated time frame, minimizing any inconvenience and ensuring you can enjoy your fresh food promptly.

## 2 Temperature-Controlled Delivery

We use specialized refrigerated vehicles to maintain the optimal temperature for your fresh and frozen products throughout the delivery process. This ensures your food remains fresh and flavorful until it reaches your kitchen.

## 3 Flexible Delivery Options

We offer various delivery options to cater to your needs. Choose from scheduled deliveries, express delivery options, and even convenient delivery slots based on your schedule and preferences.

# Product Offering: Diverse Selection of Meats and Frozen Items

## Fresh Meats

We offer a wide variety of fresh meats, sourced from reputable farms and producers. Choose from premium cuts of beef, chicken, pork, lamb, and seafood, all delivered fresh and ready to cook.

## Frozen Foods

Our frozen food selection includes a wide range of convenient options. From frozen vegetables and fruits to ready-to-cook meals and seafood, we have everything you need for delicious and hassle-free dinners.

## Specialty Items

Freskilo also offers specialty items like organic meats, grass-fed beef, and gluten-free options. We cater to diverse dietary needs and preferences, ensuring everyone can find something they love.

# Packaging and Handling: Maintaining Optimal Conditions

1

## Vacuum Sealing

Our fresh meats are vacuum-sealed to preserve freshness and flavor. This packaging method prevents oxidation and moisture loss, extending the shelf life and ensuring optimal quality.

2

## Insulated Packaging

Frozen products are carefully packed in insulated containers to maintain a consistent temperature during transport and delivery. This ensures they remain frozen solid, preserving quality and flavor.

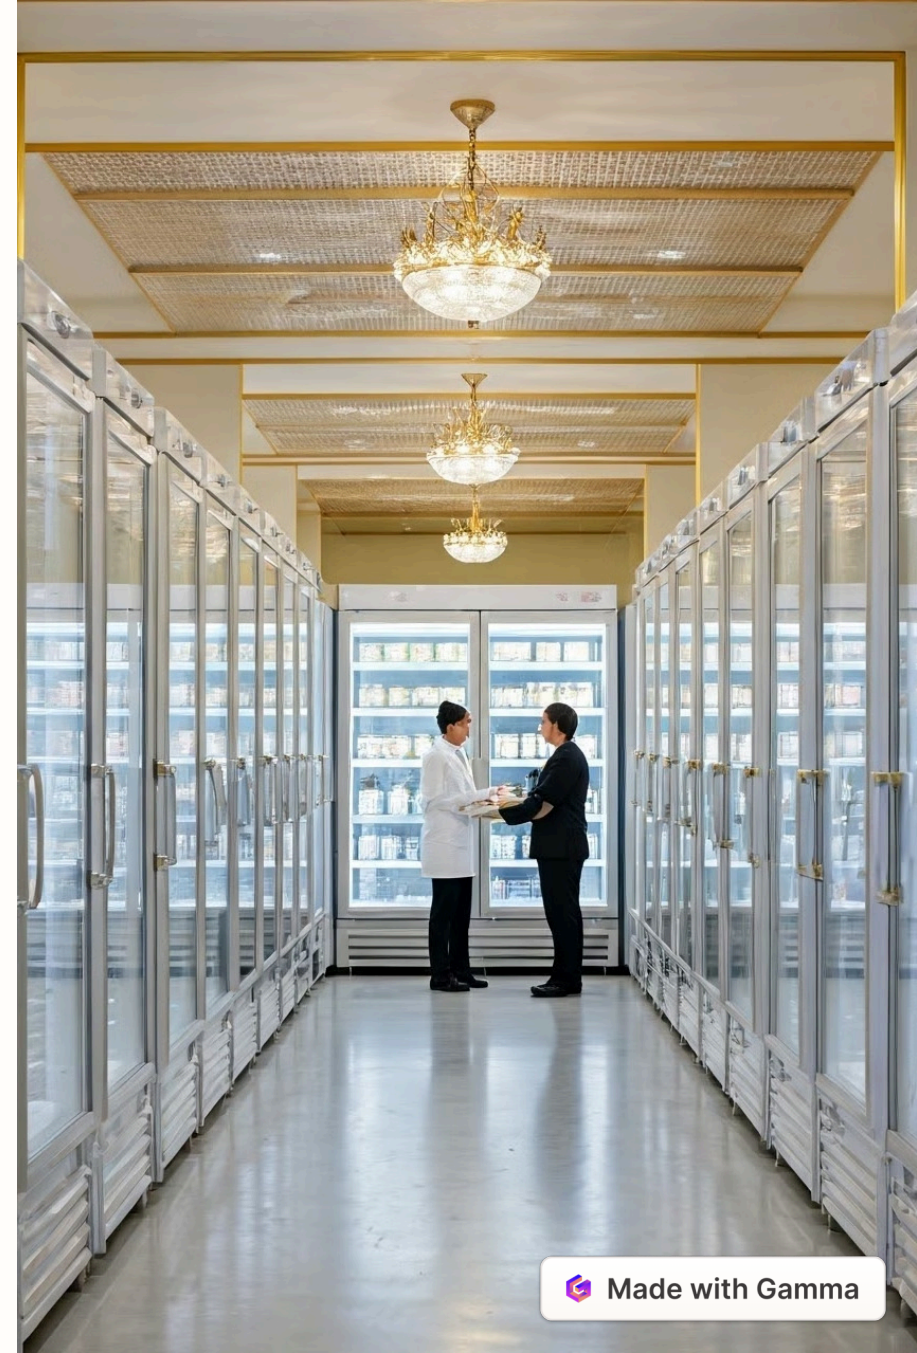

3

## Safe Handling

Our delivery team adheres to strict food handling protocols to prevent contamination and ensure your products arrive in safe and sanitary conditions. We prioritize hygiene and safety throughout the entire process.

# Temperature-Controlled Storage and Transportation

Storage Temperature	Fresh Meats	Frozen Foods
Refrigerated Storage	32–38°F (0–3°C)	N/A
