GENERAL TRADING AND CONTRACTING

Transforming Spaces with Elegance, Quality & Innovation

OVERVIEW

AMYZA GENERAL TRADING AND CONTRACTING is a leading supplier and distributor of premium sanitaryware, bathroom fittings, plumbing accessories, and building material solutions in the UAE. Established with a commitment to quality, innovation, and customer satisfaction, the company serves residential, commercial, hospitality, and industrial sectors with a comprehensive range of products from globally recognized brands.

With a strong distribution network and strategic partnerships, the company has built a reputation for reliability, competitive pricing, and timely delivery across the UAE and GCC markets.

AMYZA GENERAL TRADING AND CONTRACTING is Also, a UAE-based technical services and contracting company providing reliable maintenance, fit-out, renovation, MEP, and general contracting solutions for residential, commercial, and industrial projects. Established with a commitment to quality workmanship, safety, and customer satisfaction, we deliver efficient and cost-effective technical solutions tailored to the needs of modern buildings and infrastructure.

ABOUT US

AMYZA GENERAL TRADING AND CONTRACTING specializes in the trading and distribution of sanitaryware products, bathroom accessories, faucets, plumbing materials, tiles, Modular Kitchen Designing and Execution, and related building materials. We cater to contractors, developers, architects, interior designers, retailers, and end users by offering high-quality products that combine functionality, durability, and modern design.

Our goal is to provide complete bathroom and plumbing solutions under one roof while maintaining international quality standards and exceptional customer service.

Industry examples in the UAE commonly position themselves as one-stop sanitaryware and plumbing solution providers serving both retail and project markets. We are also specializing in technical services, maintenance, renovation, interior fit-out, and contracting works across the UAE. We work closely with property owners, contractors, developers, facility management companies, and businesses to provide dependable project execution and maintenance support.

Our team is committed to delivering projects with professionalism, attention to detail, and timely completion while maintaining high standards of safety and quality.

VISION AND MISSION

VISION

To become one of the most trusted and preferred sanitaryware trading and contracting companies in the UAE and GCC region by delivering superior products, innovative solutions, and excellent customer service and also to become a trusted technical services and contracting company in the UAE recognized for quality workmanship, reliability, and customer satisfaction.

MISSION

- To provide premium-quality sanitaryware and plumbing solutions at competitive prices.
- To build long-term relationships with customers through trust and reliability.
- To ensure timely delivery and professional after-sales support.
- To continuously expand our product portfolio to meet evolving market trends and customer requirements.
- To provide professional technical and contracting services through skilled manpower, quality execution, and efficient project management while maintaining safety and operational excellence.
